

GLOVE SIZE CHART

Your glove size is determined by the width of your hand, this chart is a guide only and should be used to determine your approximate glove size.

Please contact your local BioClean representative for size availability.

Instructions

1

Place your right hand, palm face down, onto the hand outline with your fingers together and your thumb open away from your hand

2

Make sure the edge of your index finger is aligned to the black line

3

The coloured section where the right hand edge of your hand stops is your glove size

NB: For accurate results please ensure you select 'actual size' when printing - NOT 'fit to page'
